

My name is Chris and I am the Director at AES. I have an MA in Psychology and am both a qualified teacher (PGCE) and educational psychologist (MSc). I also have an MA in Special Educational Needs: Inclusion and Disability Studies. I have a passion for supporting students with SEN to achieve their potential and I enjoy seeing those students who have not had many positive experiences come to AES and begin to believe in themselves as both learners and people of value. I care deeply about the school, its ability to be a transformative experience for our students and in developing a great staff team which can deliver on this vision.

My name is Ibrahim and my qualifications include an MSc in Digital Systems and Instrumentation and a PGCE in ICT. I have also worked 20 years in the Electronics and Computer Industry and gained 10 years experience in secondary education including SEN. I work as a Teacher at AES and teach various subjects such as Maths, Science and English.

My name is Dino and my qualifications include a Teaching Assistant Level 3 Diploma and a MBA in International Management. I have previously worked as a Teaching Assistant in a primary school setting and I am working as an Unqualified Teacher at AES. I am currently in the process of completing my QTS in order to become a fully qualified Teacher. I teach Business Studies and PSHE at AES and I find my role both challenging and rewarding and I enjoy my role fully

My name is Roberto Brion and my qualifications include obtaining a degree in English as an Applied Language from the University of Santiago de Compostela in Spain. I am a qualified Teacher both in Spain and the UK. I have worked with children at a primary school level both in Spain and the UK. I teach both Spanish and French at AES and I find my job role very rewarding.

My name is Leanne and my qualifications include a Level 2 Children and Young People Workforce and Education Certificate. My previous work experiences included working as a Teaching Assistant in a primary school setting and now I am working as a Teaching Assistant at AES. I like working with children and I enjoy supporting them in their educational needs and youth projects which I find rewarding.
