## Developing the whole student

### **HOME SCHOOL AGREEMENT**

#### SCHOOL FAMILY CHILD

Together we are committed to trying to share our concerns, ideas, thoughts and feelings, and to being good listeners.

We are determined to create an inclusive culture of learning where all children will be challenged in their thinking to achieve to the best of their ability and strive to become the best they can be. We will empower our children to become respected successful citizens to enable them to make valuable contributions locally, globally and to contribute to our world's sustainable future.
